

Reinventing Your Career

Finding Opportunity in the Midst of Change

*with Deeta Lonergan, Nationally Certified Counselor
and Career Development Facilitator Instructor*

“Jobs as we know them will not exist in the 21st century.”

William Bridges, change consultant, Job Shift

“Only 20% of people will have “good” jobs in the 21st century.”

Jeremy Rifkin, congressional economist, The End of Work

“The average individual will have 3 to 5 careers in his/her lifetime.”

Richard N. Bolles, career author, What Color Is Your Parachute?

Downsizing, rightsizing, outsourcing, contract labor ... how will you survive?

Reinventing Your Career is a 30-hour course that offers practical steps for planning ‘what’s next’ in your career. Identify your skills, interests and values to integrate your job into a rewarding career/life plan. Discover how to stay competitive and employable. Learn job search methods for a tight economy, resumé writing, interviewing, salary negotiations, how to master the job hunt and create a job for yourself.
